Private Members Motion .

Shortage of Burial Chambers

WHEREAS it is evident that there is a shortage of burial chambers throughout the Islands;

AND WHEREAS in the district of West Bay there exist three main cemeteries with severe shortage of burial space;

BE IT NOW THEREFORE RESOLVED THAT the Government considers purchasing additional suitable property, where available, and utilizing existing Government property, where available, throughout the Islands for the use of cemeteries;

AND BE IT FURTHER RESOLVED THAT Government give immediate consideration to a different type of burial, to that of the existing traditional way, such as two caskets in one vault and above-ground burial chambers.
