PRIVATE MEMBER S MOTION NO. 7/08-09

Scientific Study to Ascertain Cancer in the Islands

WHEREAS there is a high incidence of various cancers in the Islands;

BE IT NOW THEREFORE RESOLVED THAT the Government considers conducting a scientific study to ascertain and determine the possible causes of the extremely high degree of cancer in these Islands.

Moved by: Hon W McKeeva Bush, OBE, JP, MLA
Leader of the Opposition
First Elected Member for West Bay

Seconded by: Capt A Eugene Ebanks, JP MLA
Fourth Elected Member for West Bay

Received in the Office of the Clerk this 1st day of September, 2008.

Clerk of the Legislative Assembly
