Q: Can the Honourable Minister say what was the contractual fee and the actual amount paid to MEPCO for their design and consultation for the Mechanical, Electric and Plumbing (MEP) for the additional to the Edna M. Moyle Primary School?

A: Madam Speaker, the contracted amount to MEPCO Ltd. for the MEP Design Service for the Edna Moyle Primary School Classroom Addition is $13,900.00. The amount that has been certified by the Public Works Department to be paid to date is $13,900.00. As it currently stands, there have been no increases or contract adjustment payments.

However, two variations that total $4,086.00 have been submitted to the Public Works Department, and are currently being reviewed. If approved in full, then the final contract sum is currently estimated to be $17,986.00.

Thank you Madam Speaker.
