PARLIAMENTARY QUESTION
ASKED BY

HON. G. WAYNE PANTON, MP - ELECTED MEMBER FOR THE CONSTITUENCY OF NEWLANDS

TO

THE HON. KATHERINE A. EBANKS-WILKS, MP - MINISTER RESPONSIBLE FOR SUSTAINABILITY AND CLIMATE RESILIENCY

QUESTION:

Can the Honourable Minister update the House on the ReGen Project, in particular:

a) Whether any decision has been made;
b) What are the current project dates; and
c) What is the current longstop date?

ANSWER:

Following a recent meeting of the Cabinet, it was collectively decided that the Cayman Islands Government will begin taking the necessary steps to exit the project agreement, with the Dart-led consortium, in respect of the ISWMS project in an effort to find a more affordable option for our country.

As such, no new project dates, including a new longstop date, have been set.

Achieving a modern, sustainable and affordable solid waste management solution for our Cayman Islands remains a key priority for the Government
