First Meeting 2025-2026 Session - First Sitting

PARLIAMENTARY QUESTION
ASKED BY

HON. KENNETH V. BRYAN, MP – DEPUTY LEADER OF THE OPPOSITION
ELECTED MEMBER FOR THE
CONSTITUENCY OF GEORGE TOWN CENTRAL

TO

THE HON. JOHANY S. EBANKS, MINISTER OF PLANNING, LANDS, AGRICULTURE, HOUSING & INFRASTRUCTURE

QUESTION:

Can the Honourable Minister say how many affordable houses have been built in the last four years; and does the Minister intend to build any affordable housing in the district of George Town?

ANSWER:

Over the past four years, a total of 39 affordable homes have been completed through the National Housing Development Trust (NHDT) under its Affordable Housing Initiative (AHI) and Build on Your Own Property (BYOP) programme.

With respect to George Town, the Government does intend to proceed with the development of affordable housing in the district. The NHDT has been tasked with preparing the necessary procurement documents to support the development of its vacant sites in George Town, ensuring these are utilised to their full potential.

This initiative forms part of the Government's broader national housing strategy, which aims to expand access to affordable housing for Caymanians across all districts of the Cayman Islands.
